Member Benefits

Dakota Grown Logo: Members are able to use the association's trademarked logo to promote their own locally grown products. Using the NDFMGA logo, as seen on the front of this brochure, helps promote a distinguishable *Dakota Grown* brand that consumers demand and is the most valuable benefit to membership.

Promotional items and packaging materials with this logo are available for purchase to members at reasonable cost. In fact, *once we receive your completed contact information, we'll send you a roll of logo stickers and price tag signs so you can begin using them immediately!*
